

PARISH 175TH ANNIVERSARY PRAYER

You, Eternal Trinity,
are the One
who sowed the pines and maples
that once towered above the ridges of Alpine.

You are the One
who knows the footprints and trails
of every being who has drawn nourishment
from these fertile lands.

The Ottawa hunted, sugared, and traded.
The lumbermen cleared.
Immigrants from afar settled,
and with persistent faith
raised crops and families
while humbly building this parish in your name.

We thank you,
Most Blessed Trinity,
for all the graces
that have enabled this community
to cultivate faith
and magnify your presence these
past 175 years.

We pray,
